

Supporting the Community

Bank Leumi (UK) plc, like its parent company in Israel, believes in giving back to the community by supporting a variety of events, charities & campaigns.

The Bank has decided to participate in the Shaare Zedek London to Amsterdam bike ride which will take place between 6-9 September. Raising funds for Jerusalem's first children's hospital, the bike ride is part of the Building Blocks Appeal, a project of increasing urgency with an estimated cost of £10m.

By entering a team of 9 led by our CEO, Larry Weiss, the Bank has agreed to donate half of the minimum amount required per participant (£700 out of £1400) to cover costs and, most importantly, to ensure that all monies raised go directly to the charity.

If you would like to sponsor team Leumi and thus show your support of Shaare Zedek, all you need to do is go to the Bank's Just Giving page (<http://www.justgiving.com/bankleumiuk>) or you can call us on 020 7907 8008.
